

## Laura Ogletree (Planning)

---

**From:** Emily McGahee (Environmental Health)  
**Sent:** Tuesday, February 9, 2021 3:31 PM  
**To:** Laura Ogletree (Planning); Sarah McQuade (Planning)  
**Cc:** Kelly Hairston (Environmental Health); Chad Harper (Environmental Health)  
**Subject:** HCPC Tentative Agenda for 3.1.21

Please see Environmental Health comments below:

Item 1, 5385 Winder Hwy, Dell Group: All proposed lots must meet Hall County Board of Health Lot Size Resolution requirements.

Item 2, 3321 Gillsville Hwy, Salas: All proposed structures must meet required setbacks to existing septic system. An existing system evaluation may be required.

Item 3, 7779 Bill Wilson Road, Bennett: All proposed lots must meet Hall County Board of Health Lot Size Resolution requirements. Please note that the proposed configurations contained in the packet cannot be approved by Environmental Health and have already been potentially reconfigured by the surveyor on February 9, 2021.

Item 4, 2415 Old Cornelia Hwy, Passmore: Must meet all Hall County Board of Health Body Art Establishment permitting requirements.

Item 5, 2206 Browns Bridge Road, Sacred Heart Tattoo IV: Must meet all Hall County Board of Health Body Art Establishment permitting requirements.

Emily
