Planning & Zoning Department

I am a 19 year resident of LVE and I  
am deeply distressed about the "car  
wash/storage" plan next to our beloved  
LVE. I am 93 years old and an active  
person - walk 2 hrs. each A.M.  
LVE is definitely one of the BEST we have  
in Gainesville - don't DESTROY  
it with this zoning request. Please  
be SMART about your decision!!!  
Not only will the cottages be  
destroyed - the entire LVE will no  
longer be desirable. DO NOT LET  
THIS HAPPEN to a JEWEL we  
have in Gainesville for an  
undesirable zoning request!!!

Mr. Chris Braswell - Chairman

I am a LVE resident - over 19 years -  
93 years old now !! I am deeply  
distressed about "the car wash / storage"  
plans next to our beloved LVE !!  
Not only will it destroy the cottages  
- the ENTIRE village will be  
destroyed - one of the VERY best  
things in Gainesville. This  
cannot be allowed !!!!!!  
PLEASE help us keep our  
LVE beautiful as it is now  
- and, for the future !! We  
are counting on you to be SMART  
about this zoning!

To Director of Planning and Planning Commissioners for Hall County:

Lanier Village Estates has been here in Hall County for 20 years. I have been here for 16 years. I am opposed to the proposed carwash/storage project. This is a beautiful resident senior community of 500 residents. Building a car wash and storage unit so close to our development would be inappropriate. It would be much too noisy, bring flood lights, and unsafe traffic at all hours of the day.

We have all invested our financial resources to live at LVE. Adding the carwash and warehouse will definitely cause a negative financial impact on our community.

Sincerely,

*Melissa Parrish*
