Hall County Fire Department  
ATTN: Chief Chris Armstrong  
470 Crescent Dr.  
P.O. Box 907730  
Gainesville, GA 30501

Fire Recovery EMS began providing Ambulance Billing Services for Hall County Fire Department in September 2015. In 2020, the last full year of services, we collected \$4,727,640 on 13,648 trips for an average of \$346.40 per trip. We have performed consistently for the County, and we would like to continue to provide our EMS billing services to the County. We would like to offer you two extension options to the current EMS billing contract to give the County ample time to formulate an RFP per the County's new ordinance for services.

- 1) A Six-month extension at a reduced rate of 5.25%, starting on September 15, 2021, ending on March 15, 2022  
Or:
- 2) One year extension at a reduced rate of 4.95%, starting on September 15, 2021, ending on September 15, 2022

All terms and provisions of the current Agreement shall continue in full force and effect unless otherwise modified. Notwithstanding anything to the contrary in this Agreement, either party may terminate this Agreement without cause and penalty at any time by giving the other party 60 days' written notice.

Suppose this contract is terminated before its completion. In that case, Hall County allows FREMS to continue collection efforts for a period of 6-months following the contract termination unless other arrangements have been agreed to by both parties in writing. Hall County understands that they will be responsible for paying FREMS their commission on their collections during this time period in accordance with Section 8 of the original contract.

Proper notice may be given by certified mail:
